Schedule your personal, on-line Q&A with one
of our disinfection experts

You could buy a fleet of Rollie's
for the cost of one of theirs!
Call or email for your no-obligation price quote

Rollie is brought to you by AUVS, makers of the **KR615
Germicidal Enclosure - The UV Box** - The only enclosure
named to Newsweek's 2020 list of Best Infection Prevention
Products. The UV Box is currently used throughout **more than
700 Hospitals and Hospital Groups.**

Independent rotation of the light head and
separate positioning of the 4 LED pods
optimizes focused UV-C treatment.
